

Mapping Sciences Institute, Australia
2011 Conference
100 Years of National Topographic Mapping

ABN 23 134 637 296

University House, Australian National University, Canberra
1 Balmain Crescent, Acton, ACT

28th-29th March 2011

The conference will be a celebration of 100 years of national topographic mapping 1910-2010. The program will run over two days and papers will be presented as a chronology of the history of topographic mapping commencing with nineteenth century exploration mapping and finishing with an overview of mapping in 2011. The Keynote Address will be delivered by Mr Drew Clarke, an Honorary Fellow of MSIA with a long and distinguished record of service to national mapping. He is currently the Secretary of the Commonwealth Department of Resources, Energy and Tourism.
