Mapping Sciences Institute Australia
New South Wales Division
invites you to a
Professional Development Seminar

Spatial Information - A Wonderful Diversity

Participation in this seminar entitles MSIA members to an allocation of 10 CPD points. ISNSW & SSI will also allocate CPD points. ISNSW have allocated SP=5.25 points for this MSIA Seminar.

Applications for membership of the Mapping Sciences Institute, Australia are welcomed from any person involved in the mapping sciences. Any person applying for and completing membership requirements prior to this seminar will receive full membership entitlements. For membership Details see NSW Division Web Page at <http://www.msia-nsw.org.au>
